design			
materials			

Prosperous Places
Placemaking Grant
\$5,000 with
\$5,000 MCLBA
match

Invited to apply a
second time;
received another
\$3,200

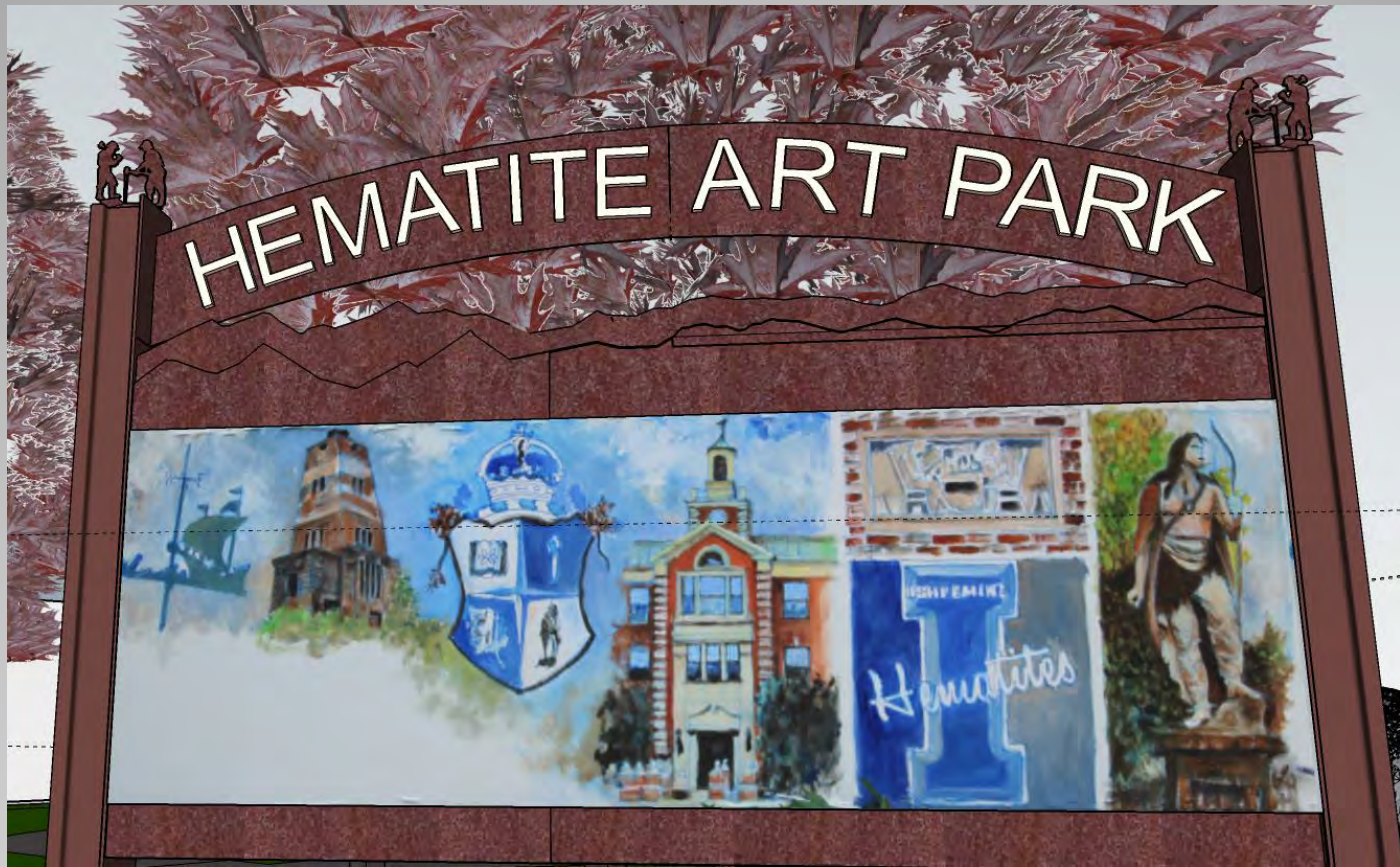

The Hematite Art Park is a collaborative project between the Marquette County Land Bank Authority and Ishpeming Public Schools. What once was the home to two blighted residential structures, now is an outdoor showcase of local talent. We welcome the community to visit often, sit, relax and admire the work of Ishpeming students and others that is on display.
